

HANDICAP RUN 01/07/2014

A very humid night still didn't stop the relentless pursuit of PB's – an incredible 20 from the 32 starters, well done to you all plus the 2 season's bests.

Well done to Dougie for being first on the night, good to see him running well again.

Thanks to Caroline, Emma and Kristen for all their hard work as timekeepers.
