

HANDICAP RUN 12/08/2014

Fortunately Hurricane Bertha had abated and running conditions were once again fine leading to EXCELLENT!!! performances. Sixteen PB's were recorded on the night with the outright course record being smashed by both Colin and Tom. Natalie's ladies course record of 22:17 also looks under threat with Yulia now only 16 seconds outside of it.

Well done to Kev Roughton for being first on the night, good to see him picking up again after a tough patch.

Finally, a big THANK YOU to the timekeepers Julia Buda, Andrew Bird and Sam Davis, the times suggest you had a difficult time
