

HANDICAP RUN 02/09/2014

The last summer course handicap run of 2014 saw good conditions but a reduced turnout. There were an impressive 9 PB's and some very close battles to the line. Well done to Kayleigh for being first on the night with a massive PB.

Welcome to new member Richard Hobson who set a good time despite having run our Double or Quit race on Saturday.

A big thank you to Caroline, Andrew, Sam and Catherine for handling the time keeping
