

# HANDICAP RUN 02/04/2013

Finally back off road again but still very cold. A small turnout, due to the holidays, tested out Mick's new summer course which worked very well. Judging by the times it looks to be a tougher (slower) course than the winter one. Welcome to new runners Tom and Brendan and well done to Richard for being first home on the night.

**Finally, a big thank you to Mick, for not only timekeeping but also putting out km markers.**
