

# HANDICAP RUN 07/05/2013

A brilliant turnout by Ilkeston and the guest runners from Smalley Road Runners saw 32 finishers. An excellent night for running and the added competition of guest runners made for some fast times – of the 8 runners who had run the course previously, 6 did PB's.

A big thank you to Caroline and Mick for timekeeping and Mick for also marking out the course, despite which 2 of runners managed to get lost – DOH!
