

# HANDICAP RUN 07/01/2014

The first run of the year saw good weather and an incredible record 32 runners. Welcome to new runner Nick Rice who finished first on the night and welcome back to former members Kerry and John Queenan. Unfortunately, John doesn't feature in the results as he decided the course wasn't hard enough and ran an extra mile. A great 'dust up' between Natalie and Gaby saw Natalie pushed to just 7 seconds outside Becky Durrant's ladies course record. Well done to all the night's PB'ers and SB'ers.

Finally, a **big thank you** to the time keepers Michael Andrew and Andrew Bird.
