

HANDICAP RUN 04/02/2014

Despite the unusual south easterly wind direction, the relentless attainment of PB's continues, well done to all of you. Welcome to new runner Katherine Earley who had lots of 'pleasant' things to say about the whole experience. Unfortunately Natalie Lebeter's attempt on the ladies course record was postponed due to work commitments but Yulia Ravenhill stepped in with an incredible PB that was an agonising **one** second off Becky Durrant's record – stand by for fireworks next month when hopefully Yulia and Nat will go head to head.

Thanks, as always, to Michael Andrew for timekeeping.
